

## **3NT SUBJECT COMBINATION & ITE POSSIBLE EDUCATIONAL OPPORTUNITIES (NORMAL TECHNICAL)**

### **INTRODUCTION**

There are various career choices available. Planning ahead towards the direction of your choice of career would be useful for you. Here's some information that may give you some idea on where you may be heading to. **Below is a guide to help you understand educational opportunities available for you in ITE based on your subject combination. However, information given here only serves as suggestions. More opportunities are available and may widen overtime, depending on your tertiary education as well as the skills you have.**

**Occupations listed in this guide are not exhaustive.**
