GESS/2019/PTA Talk/02

18 Oct 2019

Dear Parents/Guardians,

Igniting Potential, Building a Future-
Laying the foundation for an entrepreneurial mindset

Entrepreneurship education does more than encourage teens to start a business; it prepares them for long term success at life. An entrepreneurial spirit empowers them with the ability to creatively find solutions for problems that exist in society.

In this interactive session, Ms Vandana Dhau (Head Accelerator Operations, GROW Agrifood Tech Accelerator, also PTA Secretary) and Mr Samuel Ang (Director, Innovation & Entrepreneurship, Temasek Polytechnic, also Ex Gessian) will share tips on skills and competencies essential to succeed as an Entrepreneur. Real life stories of teenagers in Singapore who have built and scaled successful ventures will also be shared.

Date : 2 Nov 2019

Time : 10am to 12.30pm

Venue: GESS AVA Studio

Contents:

- 5 pioneering skills sets that your child will need by 2025
- Fundamentals of entrepreneurship
- Importance of family in an entrepreneurial future
- Resources available to young entrepreneurs
- Case studies of successful student entrepreneurs with cash in the bank

We seek your continued support and believe you will benefit from this parenting talk.

We look forward to seeing all of you.
